LITHUANIA

LITHUANIA

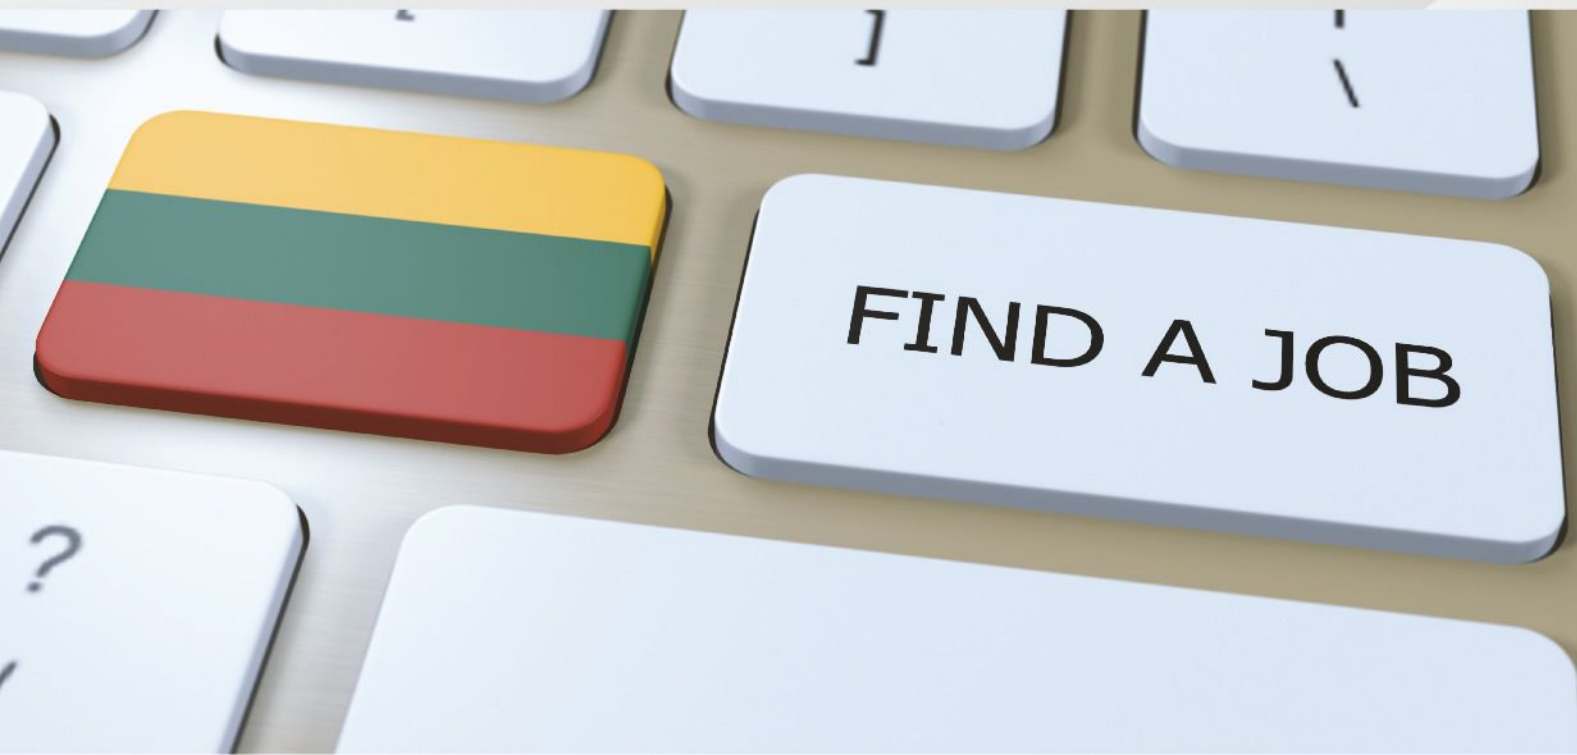

In the north of Europe, on the shore of the Baltic Sea, Lithuania is a green, flat landmass. It shares borders with Russia, Belarus, Poland, and Latvia, making it one of three Baltic states.

Temperatures range from +24 degrees Celsius in July to -3 degrees Celsius in January, with a maritime and continental climate. There are four seasons in this country: summer, autumn, winter, and spring.

Lithuania is becoming more and more popular as a destination for medical tourism and treatment. Patients come from all over the world to general practice and diagnostics, odontology, plastic surgery, spas, and rehabilitation centers. The standard of medicine and doctors in Lithuania is extremely high, and Lithuanian clinics welcome an increasing number of patients annually from Germany, the Netherlands, Denmark, the United States, and other nations.
